

REMARKS

Applicants previously submitted an Office Action response on April 27, 2010 ("Prior Office Action Response"). The response inadvertently missed listing claims 1-46 being cancelled. The above-identified Office Communication correctly identified such defects. By this response, Applicants have corrected the mistake and have also reproduced the remaining pending claims 47-51, 53, 54, 56-58, 60, 62-64, 66 and 68. The Remarks in the Prior Office Action Response are incorporated by reference and would not be repeated herein. Applicants respectfully request that the Examiner reconsider the application in light of the amendments and the remarks. Withdrawal of the outstanding rejections and issuance of a Notice of Allowance are earnestly solicited.

In the event that the Examiner, upon reconsideration, determines that an action other than an allowance is appropriate, the Examiner is requested and authorized to telephone Applicants' undersigned representative prior to taking such action, if the Examiner feels that such a telephone call will advance the prosecution of the present application.

Respectfully submitted,

By: /Peter P. Tong/
